Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In the Notice of Non-Compliant Amendment mailed August 20, 2003, for the above-captioned application, it is indicated that designating a claim as "previously added" is not a status identifier. Although Applicants believe that "previously added" is indeed an appropriate status identifier, attached hereto is a replacement Response identical in all respects to the originally filed Response except that the status indicator "previously added" has been replaced by the status indicator "previously presented." Thus, entry of this replacement Response is believed appropriate and is respectfully requested.

The Commissioner is authorized to charge any deficiency or credit any overpayment associated with the filing of this Response to Deposit Account 50-1202.
